Id like to add a few other points disclosed by the purported victim:

- While on this yacht he witnessed African American males having sex with white blonde females, all of whom were bleeding during intercourse.
- He was a victim of a type of ritualistic sacrifice in which his feet were cut with a scimitar but left no scarring.
- On the yacht he witnessed babies being dismembered, their intestines removed, and individuals eating the feces from these intestines.
- He was also raped by George Bush 1.

Victim disclosed he was escorted to the FBI building by Michael Moore who is the creator of "True Pundit", described by multiple online sources as a conspiracy driven news website that attempts to paint the FBI in a bad light. Moore has a criminal record as a result of an FBI Investigation (Copyright Infringement).

Let me know if you want to discuss the former FBI Agent that called this into the head office.

Thanks

Subject: Interview Of Purported Epstein Victim

[REDACTED], on Tuesday August 27, 2019 myself and SA [REDACTED] conducted an interview of a purported victim of JEFFREY EPSTEIN as per a referral by former FBI SA [REDACTED] and journalist MICHAEL MOORE (not the film maker). The results are as follows:

- At 1200 hrs a male identified as one, [REDACTED], [REDACTED], arrived at the C20 office.
- [REDACTED] stated he was unemployed and resides with his mother and her unemployed morbidly obese boyfriend.
- [REDACTED] stated he has ingested hallucinogenic mushrooms as well as other illicit substances in the past and currently smokes marijuana.
- [REDACTED] reported being raped (sodomized) by his great uncle since the age of 5 Y/O until age 22.
- [REDACTED] described meeting EPSTEIN at a yacht club in RI, of his relatives were members, first at age 5 and later at age 8
- [REDACTED] states he was raped (sodomized) by EPSTEIN in 2000 on a large yacht 9 out of RI) as well as by former US President WILLIAM J. CLINTON.
- [REDACTED] states the also current president TRUMP along with his wife MELANIA were present during the said yacht trip in 2000 (TRUMP not married to his current spouse, MELANIA until 05)
- [REDACTED] reports while being raped by EPSTEIN and CLINTON he was in a heavy drug induced state.
- [REDACTED] stated all of the above incidents were "recovered repressed memories" until he began therapy some time in 2016, approximately.
- [REDACTED] offered NO supporting or corroborating evidence or witnesses that could be contacted.
- [REDACTED] appeared to me emotionally unbalanced and not intoxicated.
- At this time it is not recommended that any additional investigative resources be expended concerning [REDACTED] claim.
